Eric Johnson - When The Sun Meets The Sky Solo

```
Tom: D

   Tabbed by: David
Email:

fluid soloing. And it?s got one of the best guitar tones I?ve
ever heard
on an album. That, plus there isn?t one string bend creates an
ethereal
sound. So far, I?ve just tabbed the solos, so if anyone wants
to let me
have the chords, it would speed up the process of doing the
whole song.
What?s here is very accurate.

Tuning: EADGBE

First guitar solo

  3:13

e|-----------------------------------------------------------
|
B|-----------------------------------------------------------
