Queen - I'm In Love With My Car

```
Tom: G
Intro:

Verse 1:
 Em                    G                    D
      Ohhhhh...            The machine of a dream.
C                       Em                    G
  Such a clean machine.     When the pistons a pumpin',
D                     C      Em
  And the hubcaps all gleam.     When I'm holding your wheel,
G                          D
  All I hear is your gear,   When my hand's on your grease
gun,
C
  Oh, it's like a disease son.

G                   D                        C
  Geat a grip on my boy racer roller bar,   Such a thril when
your radials squeel.

Verse 2:
B                                      C
 Told my girl I'll have to forget her,  Rather buy me a new
carburetor,
B                                                C
 So she made tracks saying this is the end now,  Cars don't
talk back,
they're just four wheeled friends now.

Em                            G
  When I'm holding you wheel,   All I hear is your gear,
D                              C
  When I'm crusing in overdrive, Don't have to listen to no
run of the mill talk jive.
