Alice In Chains - Sea Of Sorrow

```
Tom: E

Tuning: half step down Eb,Ab,Db,Gb,Bb,eb

Riff A:
      w/slight distortion

                                  pm:
pm
Solo A:
 this is probably wrong, but if you can do best, do it
yourself
eb:-|-----------------------------------------------------------
-------------------------------------|-
Bb:-|--slow bend---hold----slow release----------------------
----------15br15-12--8-10-8------|-
Gb:-|---7b(::9)-------------(9r:::7)--/4-/2-/0-\2-
\4/2\4/2\4-0--------------------------------7~~--|-
Db:-|-----------------------------------------------------------
-------------------------------------|-
Ab:-|-----------------------------------------------------------
-------------------------------------|-
Eb:-|-----------------------------------------------------------
-------------------------------------|-

Riff B:
      w/slight distortion

                                  pm:
pm
Riff B: Verse
      Bb            F            Bb            F
```

```
G\F          Bb       Bb\G            F

Riff C: You opened fire...
      F       C             G                 F       C
G

      F       C          A   AAA...

                                  pm::::::::::::::::::::::::::::
Riff D: Chorus
      G        A           E

Riff E:
      w/slight distortion

                                  pm:
pm

Solo: (or at least a closet aproximation of it...not finished)
      w/wah

Riff F: chorus at the end of the song
      G       A       E

      pm::::::::::::::::::::::
```
