enough
Bb                     F
 I believe it, like a fact in a book that I can?t stop pickin?
up
Dm

Bb                                                     Dm
  With the idea of this perfect life where I don?t cry
                       Bb                  F
But I mean it 'casue I try and I try and I try

           Bb                        Dm

I should be happy that I?m nobody else
        C
I mean really
       Bb                            Dm

 'Cause if I let them go too far I know I?ll never see the
light of day

No way

Wish that I could solve ?em

But I lock them in the basement

Hide them under pavement

cracks

Never looking back
