U2 - Red Hill Mining Town

```
Tom: D                                                                F                                F
Intro: (Guitarra)

    G                                C
                                                                  G                C
E-----7-----7-----7-----7------7-----0-----0-----0-----0----   From Father to Son the blood runs thin
-0---                                                             G                C
B---8-----8-----8-----8------8-----1-----1-----1-----1-----1-- Our faces frozen (still) against the wind
---                                                               G                C
G-7-----7-----7-----7------7-----0-----0-----0-----0-----0---- The seam is split, the coal face cracked
---                                                               G                C
|                                                                 The lines are long and there's no going back
| (Baixo)                                                         G                    C
|                                                                 Through hands of steel and a heart of stone
D-----------------------------------------------------------      G                C             D
---                                                               Our labour day has come and gone
A-----------------------------------------------------------              A
---                                                               And you leave us holding on
E-----------------------------------------------------------          F
-8\3-                                                             In Red Hill Town, as the lights go down

 (Guitarra)                                                        G              D
                                                                  I'm hanging on
    G                                C                                                  F          C
                                                                  You're all that's left to hold on to
E-----7-----7-----7-----7------7-----0-----0-----0-----0----      G              D
-0--                                                              I'm holding on
B---8-----8-----8-----8------8-----1-----1-----1-----1-----1--                            F          C
--                                                                You're all that's left to hold on to
G-7-----7-----7-----7------7-----0-----0-----0-----0-----0----
--                                                                The glass is cut, the bottle runs dry
|                                                                 Our love runs cold in the caverns of the night
| (Baixo)                                                         We're wounded by fear, injured in doubt
|                                                                 I can lose myself, you I can't live without
D-----------------------------------------------------------      Because you keep me holding on
--                                                                In Red Hill Town, as the lights go down
A-----------------------------------------------------------
--                                                                I'm hanging on ...
E------------------------------8\3------------------------
-8/10                                                             And we scorch the earth, set fire to the sky
                                                                  Stoop so low to reach so hihgh
 (Guitarra)                                                       A link is lost, the chain undone
                                                                  Now we wait all day for the night to come
    D                                A                            And it comes
                                                                  And it comes
E-----2-----2-----2-----2------2-----5-----5-----5-----5----   Like a hunter (child)
-5--
B---3-----3-----3-----3------3-----5-----5-----5-----5-----5-- I'm hanging on
--                                                                You're all that's left to hold on to
G-2-----2-----2-----2------2-----6-----6-----6-----6-----6---- I'm hanging on
--                                                                You're all that's left to hold on to
|                                                                         G     D
| (Baixo)                                                         We see love slowly stripped away
|                                                                     F          C
D-----------------------------------------------------------      Our love, has seen a better day
--
A-----------------------------------------------------------      I'm hanging on
--                                                                You're all that's left to hold on to
E-----------------------------10\5-------------------------   I'm holding on
-5/1                                                              You're all that's left to hold on to
                                                                  See the lights go down on Red Hill Town
 (Guitarra)                                                       See lights go down on Red Hill Town
