

10cm - Tell Me It's Not a Dream (Eng Ver.)

tom:
[Primeira Parte]

Whenever you come
Everywhere I'm looking at
I can only see you
And I never felt like this
Just a touch of your hand
You make my heart beat faster and slower

[Pré-Refrão]

Now, I've got sunrises
Just to see your beautiful smile
Which I've never seen
And the morning reminds me every day
How lucky I am
Tell me it's not a dream

[Refrão]

You are the light to my darkness
I just realized it
Your hand just fits in mine
So, hold it 'til the world ends
When you tell me your dreams
I don't need a reason
Just want to live in this moment
I'll never not breathe with you

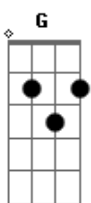

[Pós-Refrão]

I'm staying, staying for a lifetime
I'm staying, staying with you
Forever and more

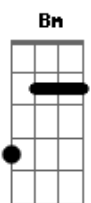

[Segunda Parte]

I still don't know why

Hearing your voice
Just brightens my morning
And my day
Are you the same?
I believe that fate
Pulled me from so far, don't you?

[Pré-Refrão]

When you play your
Favorite song in the morning
My whole world changes when you
Tell me it's not a dream

[Refrão]

You are the light to my darkness
I just realized it
Your hand just fits in mine
So hold it 'til the world ends
When you tell me your dreams
I don't need a reason
Just want to live in this moment
I'll never not breathe with you

[Ponte]

It takes no time to fall
Into your smile, into your smile
I can't help looking at you
It takes no time to fall
Into your eyes, into your eyes

I'm telling you

[Final]

I'm staying, staying for a lifetime
I'm staying, staying with you
Forever and more
