[-----------------------------------------------------------
------]
[-5-5-5-5-5-5-5-5-5-5-5-5-5-5-5-5-----------------------------
------]
[-----------------------------------------------------------
------]

Thats it.It's a very simple song but has a great  as if
you are riding that little honda.

Here's the order
Intro: verse

chorus

verse

chorus
verse

chorus (repeat the last ending of the chorus starting after A
chord,
               until fadeaway)
```
