A Bit Of Finger:
|-------------------------------------7h9-------------------|
|----------------------------------7h9--------------7h9------|
|-5h7--5---7-------7---5--7----------------7------------5--7-|
|-------------------------------------------------------------|

|---------------------7h9---------------------------------|
|-----------------7h9----------7h9-------------------------|
|-7----5--7---------------7--------5--7----and so on-------|
|-------------------------------------------------------------|
      0:57
      Geezer thows in different E and D octaves
     ||-9\-----------------------------------------------------5
-------||
     ||----7--5h7--7---7--7--5-------7--5h7--7--7--7-7-7-5-7--
--------||
     ||------------------------7-5-7--------------------------
--------||
     ||-------------------------------------------------------
--------||
     Geezer grooves on these notes..he throws in other stuff
though
     ||------------------------------------------------------
--------||
     ||--5h7--5h7--5h7---5h7--7-5-------------------------
-5-7-7-5---5||
     ||---------------------------7-5-7-----------------/7----

--------||
1:20
|---------------------------------------5 -----------------|
|-5h7--7--7--7-5-------5h7--7--7--7-5----------------------|
|----------------7-5-7----------------7--------------------|
|-------------------------------------------------------------|
                                          2:10
      1:38                                For guitar solo Geezer
holds
     ||----------------------------------||-------------------
----------|
     ||----------------------------------||-------------------
----------|
     ||--5----------3---------8------5---
||-5-5-5-5-5-5-5-5-5-3-5-5-5-5-|
     ||--------5------------------------||-------------------
----------|
E and D, but then start doing some groovin off of E and D
pentonics
     -------------------------------------------------------
----------|
     ------------------------------------3------------------
----------|
     -5-5-5-5-5-5-5-3--5--5-5-5-5-5-5-5-5--
-5-5-5-5-5-5-5-3-5-5-5-5-5-5-|
     -------------------------------------------------------
----------|
     thats pretty much it..its just a long jam, kinda groove
through it
     ...and off to Warning.  /=slide up h=hammer-on

                  this is basically the little blues-thing
done from
                 about 3:45 to 7:00, and also at the end of
the song
