SeneviratneStandard Tuning
Rock/Pop                                    As Performed
By:Intro. Chords:(Open Chords)Am-Em-Am-Em-Am-Em-Am-Em    (Palm
Mute)Am-Em-Am-EmVerse 1:Am           Em                   Am
EmShe never sleeps at night she's quiet but she dreams.Am
Em          Am                    EmHer mind is racing, she
plans, she plots, she schemes.        Am     Em    Am
EmAnother idea.Verse 2:Am         Em             Am
EmShe takes apart the past and re-writes all her lines.Am
Em          Am                   EmShe's tried to win him back
a hundred different times,                  Am    Em    Am
EmShe's got another idea.Chrous:Am         Em       Am
Em             AmShe keeps waiting, hoping he'll come back
some day,        Em       Am         Em         Am    EmShe'll
leave me, until she does I can say.F                  GWait,
please don't go,                             Am-Em-Am-Em-Am-
Em-Am-EmI've got another idea.Verse 3:Am        Em
Am               EmNo fun to be the one that love is praticed
on,Am           Em             Am                EmWhy should
I leave her she wouldn't know I've gone                 AmI've
got another idea.Chrous:          Em       Am             Em
AmI'll keep waiting, hoping she'll love me someday,       Em
Am        Em         Am     EmShe'll want me until she does I
can say.F                  GWait, please don't go,
(Am-Em progression until fade)I've got another idea.Solo:Part
of this is also played under the intro. chords|---------------
