Roxette - Listen To Your Heart

Tom: G

```
 Bm        G                        A            Bm
    I know there?s something in the wake of your smile
            G               A            Bm
    I get a notion from the look in your eyes
                G               A           Bm
    You've built a love but that love falls apart
                                G            Em
    Your little piece of heaven     turns too dark

                   Bm    G           D           A
    Listen to your heart   when he's calling for you
                   Bm    G                 D            A
    Listen to your heart   there's nothing else you can do
            D                 A         G            D
    I don't know where you're going and I don't know why       B  Db  Ebm  B  Db  Ebm
                       Bm    G        A                  Bm
    But listen to your heart   before   you tell him goodbye

              G                  A             Bm
    Sometimes you wonder if this fight is worthwhile
                G               A           Bm
    The precious moments are all lost in the tide       B ----

                                                        G
-2h4-------2/4-
                 G                 A          Bm
    They're swept away and nothing is what it seems
                            G         Em
    The feeling of belonging   to your dreams

                   Bm    G           D           A
    Listen to your heart   when he's calling for you
                   Bm    G                 D            A
    Listen to your heart   there's nothing else you can do
            D                 A         G            D
    I don't know where you're going and I don't know why
                       Bm    G        A                  Bm
    But listen to your heart   before   you tell him goodbye

    And there are voices that want to be heard
Dbm
    So much to mention but you can't find the words
  B                        A
    The scent of magic, the beauty that's been
  B                      Db

When love was wilder    than the wind

                Ebm   B           Gb          Db
Listen to your heart   when he's calling for you
                Ebm   B                 Gb           Db
Listen to your heart   there's nothing else you can do
         Gb                Db        B          Gb
I don't know where you're going and I don't know why
                    Ebm   B        Db
But listen to your heart   before

                Ebm   B           Gb          Db
Listen to your heart   when he's calling for you
                Ebm   B                 Gb           Db
Listen to your heart   there's nothing else you can do
         Gb                Db        B          Gb
I don't know where you're going and I don't know why
                    Ebm   B        Db                 Ebm
But listen to your heart   before   you tell him goodbye

                        B  Db  Ebm
Listen to your heart
                        B  Db  Ebm
Listen to your heart
       (take a listen to)
                        B  Db  Ebm
Listen to your heart
                              (take, take a listen to)
                        B  Db  Ebm
Listen to your heart
                        B  Db  Ebm
Listen to your heart
                          B          Db     Ebm
Listen to your heart

                             B        Db     Ebm
Listen to your heart

                          B          Db     Ebm
Listen to your heart

                             B        Db     Ebm
Listen to your heart

                          B          Db     Ebm
Listen to your heart
