

# 12 Stones - If I Could

Tom: E

A  
You've gone too far  
Dbm  
To fall apart  
I know it's hard to see  
A  
Through the pain  
You gave it all  
Dbm  
He broke your heart  
But I'll still be here  
A B  
And I promise you

Refrão:

E B  
If I could be everything to you  
A  
I would find a way  
Dbm B  
I would find a way  
E  
If I could prove  
B  
That you felt the same  
A  
I would be the one  
Dbm A  
I would be the one  
A  
If I could  
A  
I've held this in

Dbm  
For far too long  
And now it's come to this  
A  
You never knew  
Dbm  
You held my heart inside your hands  
I've never felt like this  
A B  
And I promise you...

Refrão:

E B  
If I could be everything to you  
A  
I would find a way  
Dbm B  
I would find a way  
E  
If I could prove  
B  
That you felt the same  
A  
I would be the one  
Dbm B  
I would be the one  
A  
If I could  
A B  
Cause I would never do  
Dbm A  
The things he did to you  
B B B  
I would never let you go
