

# 12 Stones - If I Could

Tom: E

<sup>A</sup>  
You've gone too far  
<sup>Dbm</sup>  
To fall apart  
I know it's hard to see  
<sup>A</sup>  
Through the pain  
You gave it all  
<sup>Dbm</sup>  
He broke your heart  
But I'll still be here  
<sup>A B</sup>  
And I promise you

Refrão:

<sup>E B</sup>  
If I could be everything to you  
<sup>A</sup>  
I would find a way  
<sup>Dbm B</sup>  
I would find a way  
<sup>E</sup>  
If I could prove  
<sup>B</sup>  
That you felt the same  
<sup>A</sup>  
I would be the one  
<sup>Dbm A</sup>  
I would be the one  
<sup>A</sup>  
If I could  
<sup>A</sup>  
I've held this in

<sup>Dbm</sup>  
For far too long  
And now it's come to this  
<sup>A</sup>  
You never knew  
<sup>Dbm</sup>  
You held my heart inside your hands  
I've never felt like this  
<sup>A B</sup>  
And I promise you...

Refrão:

<sup>E B</sup>  
If I could be everything to you  
<sup>A</sup>  
I would find a way  
<sup>Dbm B</sup>  
I would find a way  
<sup>E</sup>  
If I could prove  
<sup>B</sup>  
That you felt the same  
<sup>A</sup>  
I would be the one  
<sup>Dbm B</sup>  
I would be the one  
<sup>A</sup>  
If I could  
<sup>A B</sup>  
Cause I would never do  
<sup>Dbm A</sup>  
The things he did to you  
<sup>B B B</sup>  
I would never let you go
