CryoShell - Creeping In My Soul

Tom: A

Tuning: Drop B (although playable in drop D. i just play it like this...)
Intro: (guitars tacet during piano intro)

VERSE (tacet again)

PRE CHORUS (alright, some tabs!)

let it all ring as much as you can...

(x2)

CHORUS

From "shadows fall, let me out..." ect.

Thats the chorus riff.

After the chorus comes this awesome little riff.

. . . . . .

on the 4th time over alternate the ending.

.= palm mute
= lighter palm mute
'= almost no palm mute.

. . . . ' ' '

for the second verse play 5th fret power chord (the flat d one...lol) palm muted and in rythme.

Just before the next chorus...play the same asthe first line of tabs i posted...except
this in the middle:

and there you have it...!

peace out!
