

# 12 Stones - Lie To Me

Tom: G  
Intro: 2x: Am F C G

Solo de Guitarra:

(Am F C G)  
A candle burns away  
The ashes full of lies  
I gave my soul to you  
You cut me from behind

(Am F C G)  
Nowhere to run and nowhere to hide  
Your scared of the truth, I'm tired of the lies  
Cause who I am  
Is where you want to be

Refrão:  
(D F C G)  
Don't act like an angel  
You've fallen again  
Your no superhero  
I've found in the end

(D F C G)  
So lie to me once again  
And tell me everything will be alright  
Lie to me once again  
And ask yourself before we say good bye  
D F  
Well good bye  
Was it worth it in the end?  
Intro: 2x: ( Am F C G )

You wouldn't let me fall  
All the times I shared with you  
Were you even there at all

(Am F D)  
Why'd you have to up and run away  
A million miles away  
I want to close my eyes and make believe  
That I never found you

Just when I put my gun away  
It's the same old story  
You left me broken and betrayed  
It's the same old story
