Slipknot - Welcome

Tom: E

Tuning: - Drop B.

. = Palm mute.
# = Tremolo pick.
 = Harmonic.

```
    . .                                 . .
    # #                                   #
```

----Use up-strokes and down-strokes for these riffs----------
||

The verse is similar to the intro riff.

Pre-chorus:

```
    ........
```

Chorus:

```
||-----------------------------------------------|
||-----------------------------------------------|
||-----------------------------------------------|
||-----------------------------------------------|
||------ 3-/2-/5-----------------------------------|
||--0-0--3/2-/3-0--10/9--0--3/2--0--6/5------------| -(x4)
    . .       .        .       .

    . . . .
```

(x9 then slide from 12 or something to 0)

Solo backing:

```
                        . . . .
```

After the solo it varies slightly:

Elida, bjs pra vc
