

                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  
S
```

Figure 2

```
B      B
```

Fig 2
Sing me a song , you're a singer.
Do me all wrong , you're a bringer of evil
The devil is never a maker .
The less that you give , you're a taker.

```
        C                D
```

So it's on and on and on, it's heaven and hell
Oh, well.

Figure 3 (backing guitar plays fig 2)

```
                            S

                            S
```

Fig 2
Lovers of life's not a sinner
The ending is just a beginner.
The close you get to the meaning
The sooner you know that You're dreaming.

```
        C                D
```

So it's on and on and on,

```
        C                D
```

Oh, it's on and on and on.

```
        C                D
```

It goes on and on and on. Heaven and Hell

Fig 1(not the last four notes.) and then Fig 2
I can tell
Oh,
ooh,
Yeah,yeah
yeah

Fig 2
Well if it seems to be real, it's illusion.
For ev'ry moment of truth there's confusion in life.
Lover can be seen as the answer.
But nobody bleeds for the dancer.

```
        C                D                fig2
```

And it's on and on and on, on and on and on and on and on and on and on

on and on and on and on and on and on.

```

```
Em
```

say that life's a carrousel,

```
D
```

spinning fast you've got to ride it well.

```
    G
```

The world if full of kings and queens who

```
D
```

blind your eyes then steal your dreams.

```
     Em
```

It's heaven and hell.

```
        D
```

Oh well .

```
            Em
```

And they'll tell you that black is really white,

```
    D
```

the moon is just the sun at night;

```
    G
```

And when you walk in golden halls, you

```
D
```

get to keep the gold that falls.

```
     Em
```

It's heaven and hell.

```
D
```

No,no

```
Em
```

Fool,fool

```
D                          G
```

You got to bleed for the dancer.

```
D                          Em
                        Fool,fool
D                        G
                 Look for the answer.
D                          Em
                    Fool,fool,fool.
```
