Incubus - Under My Umbrella

Tom: Ab

Under My Umbrella was surprisingly a difficult song to tab, because of all the slight changes in chords. The little beeping sound after the intro and all the way through the verse is actually DJ Kilmore, so don't worry, that isn't on the guitar. At first I thought that was the guitar, but then I realized that Mike Einziger actually plays the melody and plays while Brandon is singing, but at no other time during the verse. The first part of the chorus is the same as the intro, but don't be fooled: the second part is slightly different!
