

14 Bis - Dona de mim

Tom: F

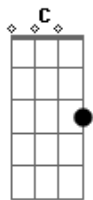

Mãe do céu, roda gigante
 Carrusel de prata, noiva deslumbrada
 Enfermeira, freira, santa
 Mariposa branca e dona de mim
 Céu de nossa senhora
 Perdi meu cabelo num espelho assim
 Clara, cara, rara, dona de mim
 Dona do circo celeste

Lírio das campinas, meu queijo de minas
 Noite iluminada, olhar de querubim
 Primeira namorada, sol de cetim
 Farol da madrugada
 Dona de mim
 E eu não vejo mais nada
 Dona de mim
 Fantasia encantada
 Dona de mim
