Em                              C
When we met for the first time
         G                   D
My eyes met your eyes
Em                 C
In just a look
                                G
I wished you were mine
      D
Forever?

Em          C
I almost lost you
             G
I was crying?
      D
Fainted
                    Em
And I was trying?
        C           G   D
To save you

Em          C
I try, I swear
                          G
I don´t want to hurt you
                D
But I´m bad
           Em        C  G  D
And I love you

C                       G
Don´t be afraid
Never
Em
I will protect you
D
We will be together
C              G  Em D
Forever?

C
Forgive me
        G
If I hurt you, baby
                Em
It is my nature
              D
I want you and maybe
                 C          G Em D
You can blame me?

Em                                  C
Do you remember that feeling?
                 G
When we kiss
                        D
You make me feel
                              Em
And you will never miss
 C    G  D
Me

Em
Promise me
C
If I am bad
G
Don´t give up
D

Em
And if one day
C
I leave you alone
G
Wait for me
D
I will come back home

C                        G
Don´t be afraid

Never
Em
I will protect you

We will be together
