

# 14 Bis - Dona de mim

Tom: F

Mãe do céu, roda gigante  
 Carrusel de prata, noiva deslumbrada  
 Enfermeira, freira, santa  
 Mariposa branca e dona de mim  
 Céu de nossa senhora  
 Perdi meu cabelo num espelho assim  
 Clara, cara, rara, dona de mim  
 Dona do circo celeste

Lírio das campinas, meu queijo de minas  
 Noite iluminada, olhar de querubim  
 Primeira namorada, sol de cetim  
 Farol da madrugada  
 Dona de mim  
 E eu não vejo mais nada  
 Dona de mim  
 Fantasia encantada  
 Dona de mim
