(solo intro - outro violão)

Gbm                          D
I'm tired of being what you want me to be
 A
Feeling so faithless
     E
Lost under the surface

Gbm                          D
I don't know what you're expecting of me
    A
Put under the pressure
   E                 Gbm
of walking in your shoes
  D7
(caught in the undertow
    Em
just caught in the undertow)
       Gbm
Every step that I take is
  A                 Gbm
another mistake to you
  D7
(Caught in the undertow
    Em
just caught in the undertow)

(refrão)
Gbm             D
I've became so numb
                   A
I can't feel you there
            E
Become so tired
              Gbm
So much more aware
               D
I'm becoming this
               A
All I want to do
                 E
Is be more like me
                  Gbm
And be less like you

Gbm                          D
Can't you see that you're smothering me
 A                     E                Gbm
Holding too tightly afraid to lose control
                             D
Cause everything that you thought I would be
     A                 E               Gbm
Has fallen apart right in front of you
  D7
(Caught in the undertow
    Em
just caught in the undertow)
       Gbm
Every step that I take is
  A                 Gbm
another mistake to you
  D7
(Caught in the undertow
    Em
just caught in the undertow)
           Gbm                          A
And every second I waste is more than I can take
