

14 Bis - Mesmo de Brincadeira

Tom: G

(intro) G C

Quando o céu incendeia e acende uma estrela no co..ra..ção
 Quando a lua passeia e a vida acontece numa canção

É lá

Que imagino te ver, que eu começo a sonhar

Que eu me lembro demais

Que eu me vejo beijando você

Mesmo de brincadeira eu sigo o que fala o coração
 Faço à minha maneira da vida nascer uma canção

Hei lá

Que vontade de te ver de querer te abraçar

De correr pela areia, eu preciso te achar

Que vontade de te ver de querer te abraçar

De correr pela areia

Que vanta..de de a..mar você
