

# 14 Bis - Pequenas Coisas

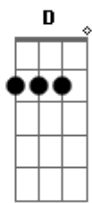

tom:

Intro: G C D G  
G C D G

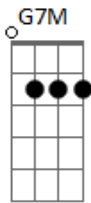

Trago um pedaço da noite junto comigo  
Bebo outro gole, outra chuva, corro perigo  
Cada instante que ouço bater  
Meu coração dentro de mim  
Ouço as palavras do vento me confessar  
Que desde o início dos tempos busca chegar

Am7 Bm7 C D Am7 Bm7  
Onde possa se transformar numa brisa  
C D G  
Pra transportar e guardar  
G7M C7M G7M C7M  
O perfume das flores, os pequenos murmúrios  
Em7 C7M D G  
Folhas tristes do outono e o jeito do amor  
C D G  
Sigo no rumo da manhã rindo sozinho  
C D G  
Dos pensamentos que tenho com festa e vinho  
Am7 Bm7 C D  
O ar da noite, sopra de vida  
Am7 Bm7 C D G  
Me lembrando o que eu esqueço existir
