Pearl Jam - It's Ok

```
Tom: E
Intro: E  B  Dbm  A
A música segue assim até o final. O ritmo é semelhante ao de
"With or Without You?

E        B               Dbm        A
    It's OK... (It's OK)...
E        B               Db        A
    It's OK... (It's OK)...m
E        B               Dbm
A
    It's OK... (It's OK)... you don't have to run and hide
away...
E        B               Dbm
A
    It's OK... (It's OK)... you know I love you anyway...

E  B  Dbm  A

E                      B                            Dbm
    This is my chance... this is my life...
                       A
    This is my hope in an alleyway...
E                      B                            Dbm
    This is my chance... this is my voice...
                                                    A
    There may be no tomorrow now...
E                      B                            Dbm
    This is my plea... this is my need...
                       A                          E
    This is my time to set in free...
                       B                          Dbm
    This is my felt... this is my day...
                       A
   And then I want us now to say...

E         B              Dbm                          A
    It's OK... (It's OK)... you know I love you anyway...
E        B               Dbm
A                        E
    It's OK... (It's OK)... you don't have to run and hide
away...
            B             Dbm           A             E
B             Dbm     A
    It's OK... It's OK... It's OK... It's
OKKKKKKKKKKKK...........

E  B  Dbm  A
E  B  Dbm  A
