

14 Bis - Pequenas Coisas

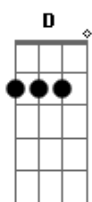

tom:

Intro: G C D G
G C D G

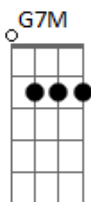

Trago um pedaço da noite junto comigo
Bebo outro gole, outra chuva, corro perigo
Cada instante que ouço bater
Meu coração dentro de mim
Ouço as palavras do vento me confessar
Que desde o início dos tempos busca chegar

Am7 Bm7 C D Am7 Bm7
Onde possa se transformar numa brisa
C D G
Pra transportar e guardar
G7M C7M G7M C7M
O perfume das flores, os pequenos murmúrios
Em7 C7M D G
Folhas tristes do outono e o jeito do amor
C D G
Sigo no rumo da manhã rindo sozinho
C D G
Dos pensamentos que tenho com festa e vinho
Am7 Bm7 C D
O ar da noite, sopra de vida
Am7 Bm7 C D G
Me lembrando o que eu esqueço existir
