

14 Bis - Ponta de Esperança

Tom: G

Agora imagine seu corpo sem nada

Sem nada que possa negar sua luz
E cada lugar tocado por nós

Vai ser além do mal

Brilhar além do todo azul

Ah! festejar o chão

Dança menina

Clareira
Ponta de esperança

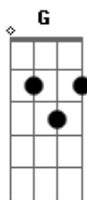

Clareira
Ponta de esperança
A porta dos corações
Sempre aberta pra nós

A estrela da sorte que acontecer
Toda massa de sol despencando no mar

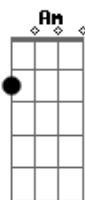

Todo amor
Será porque será por prazer

Que nunca venha a ser contra nós, contra nós
