

14 Bis - Querer Bem (Birmingham)

tom:

C

No caminho achar o que faz
 A força de querer bem
 Do céu, do mar, a luz, a cor
 Seu coração

Toda fruta, cada flor
 Para cheirar, sentir sabor
 De cada beijo seu
 É tanto querer bem

Pedaços da manhã
 Imagens que vão ficar
 Verde lugar
 Paisagem desse caminhar
 Da noite não temer
 O fraco tom do luar
 Amarela luz
 Da cor do lampião de gás
