                                   tom:
                        F
Intro: Am7  Gm7  F7M
        Gm7  F7M  Gm7  F7M

[Primeira Parte]

  F7M                                Fadd9
Always felt like I needed to please her, or impress her
  Bb7M                                                   E
Though only in the hope that one day I would undress her
 F7M
Don't be offended
                Fadd9                            Bb7M
You think I'm 'bout to tell you that "I love you"
                                              E
But I really really really fucking don't
 F7M
See the months of obsession
       F7M     F7M#
And crying for hours
Dm7      Dbm7        Cm7            F7    Bb7M
I even started sitting down in the shower, girl
                         C7  C
I'll take my time on my own
            C7               F7M
And I'll be fine now I'm alone

[Segunda Parte]

  F7M                                Fadd9
Constantly told stories with a stretch of the truth
  Bb7M         A7M     Bb7M          A7M       E
Trying hard to make memories to remember from youth
   F7M                                Fadd9
Desperately wanting you to be interested too
             Bb7M
It's not clear what I need yet
                                E
But it's clear it's not you
 F7M                                F7M
Here's what I'd say to any young man that's still interested
in
F7M#
you
Dm7         C#7M         Cm7
Do you prioritise the things in your life
                F7          Bb7M
The things that you hope to do

Cause if not then
                            C7     C
Mate you'd better trust me when I tell you that
                        C7
It's not worth forgetting about yourself
Because of one fucking girl
F7M                  F7M             F7M#
She may seem perfect, and gorgeous, and lovely
Dm7
You'll think she likes you
Dbm7             Cm7             F7
I mean I thought she loved me, no
     Bb7M
But no
                             C7     C
Neither of us will get down from the shelf
C7
he only one she loves is herself
