Scorpions - Maybe I Maybe You

Tom: D

Dedilhados:

```
                 Gbm
Maybe I, maybe you
                              Bm
Can make a change to the world
                             A
We're reaching out for a soul
D7M                              Db    Db7
That's kind of lost in the dark
                 Gbm
Maybe I, maybe you
                        Bm          A
Can find the key tooooooo the stars
A                        D7M
To catch the spirit of hope
          Db                 Gbm
To save one hopeless heart
             Gbm
You look up to the sky
                              Bm
With all those questions in mind
                        A
All you need is to hear
D7M                      Db    Db7
The voice of your heart
                      Gbm
In a world full of pain
                       Bm
Someone's calling your name
                       A
Why don't we make if true
D7M                 Db
Maybe I, maybe you
D7            Db
Maybe I, maybe you
D7            Db    Db7
Maybe I, maybe you
```

Interludio:

```
                    Gm
Maybe I, maybe you
                              Cm
Are just dreaming sometimes?
                              Bb
But the world would be cold
Eb7                       D    D7
Without dreamers like you

                    Gm
Maybe I, maybe you
                     Cm                 Bb
Are just soldieeeeeeeers of love
Bb                Eb7
Born to carry the flame
          D                  Gm
Bringing light to the dark

                        G
You look up to the sky
                                 C
With all those questions in mind
                        Bb
All you need is to hear
      Eb            D
The voice of your heart
D                       G
In a world full of pain
                        C
Someone's calling your name
                        Bb
Why don't we make if true
Eb          D
Maybe I, maybe you
Eb          D
Maybe I, maybe you
Eb          D                  Gm
Maybe I, maybe youuuuuuuuuuuuuuuuuu
