Pre Chorus:

Guitar 1 & 2:

Chorus:
                                                                    x4
Clean part before the solo:

I haven't figured out the solo yet sorry

Guitar 1 & 2:
                        .        Pm-------->       Pm----------
---------->
Chorus:
                                                                    x10

That's it, again sorry for not tabbing out the solo and the
lead part at the end

if I ever tab the solo I'll just add it to the tab!
