[Primeira Parte]

Em                                                  C
Think you cut right through yeah, I'm still loosing focus
Em                                      C
Got my heart rate up while I'm tryna be honest
Em                                          C
In my mind I've been playing it, trying to solve it, oh, yeah
Em                                           C
How your love got through without even get noticed?

[Ponte]

    C
I'm on a different lane, on a different lane
    D
And I don't know the way

[Refrão]

                           Em
So darling, meet me in the dark
                      G
In the shadows of my heart
                                Am
And if you're pouring, fill it up
                            C    D
'Cause I am thirsty for your lo-ooo-ve
                            Em
Yeah darling, meet me in the dark
                      G
In the shadows of my heart
                                Am
And if you're pouring, fill it up
                            C   D   Em
'Cause I am thirsty for your lo-ooo-ve

[Segunda Parte]

Em                                      C
Darling, let me in, take a sip of your potion
Em                                                  C
God, you taste so good, make it hard to stay modest
Em                                                      C
And keep me on, keep me in, keep me under your cover, oh, yeah
Em                                                  C
Got me messed up bad, wanna bathe in your fountain

[Ponte]

       C
But it never be the same, never be the same
       D
I'm on a different lane

[Refrão]

                           E
So darling, meet me in the dark
                      G
In the shadows of my heart
                                A
And if you're pouring, fill it up
                            C  D
'Cause I am thirsty for your lo-ooo-ve
                            E
Yeah darling, meet me in the dark
                      G
In the shadows of my heart
                                A
And if you're pouring, fill it up
                            C  D
'Cause I am thirsty for your lo-ooo-ve

                            Em
So darling, meet me in the dark
                      G
In the shadows of my heart
                                Am
And if you're pouring, fill it up
                            C    D
'Cause I am thirsty for your lo-ooo-ve
                            E
Yeah darling, meet me in the dark
                      G
In the shadows of my heart
                                A
And if you're pouring, fill it up
                            C  D   E
'Cause I am thirsty for your lo-ooo-ve
