C                       F            C               G
You've been there since Queen St. in nineteen ninety-three
     C                  F                  G
C
Yeah twenty years and a thousand beers and you're still there
for me
C             F                     C                 G
Whitaker Park after dark, 'till the cops came spotlighting
    C                      F
And yeah we ran, were just kids back then
G                    C
And we're still singin' (Yeah!)

[Refrão]

   C                 F                 C               G
   I don't wanna die I don't wanna die I don't wanna die

C             F              C           G
Outcasts in a small town, in Big Sky country
          C                    F
You had a pickup truck with the music turned up
       G                 C
"Let's Go!" cassete side B
C                        F                      C           G
How we risked our lives playing with knives to escape monotony
C                    F                 G                   C
After all the stupid things we did our hearts are still
beating
