The Who - Heaven And Hell (live)

```
Tom: G

   b=bend a full step
1/4=bend 1/4 step

moderately fast
Intro: (w/dist)I'll give you just the basic idea
 rhyfig.1                        end  rhyfig.2   end
                                  x2                      all
x1 1/2

verses
play rhyfig.2 twice then play what's below

Chorus
 slight palm-mute--|

play verse and chorus
```

```
then rhyfig.2 once

Guitar Solo(w/heavier dist)
                    ~~~~         ~~~~           playx14 rake

                         ~~~~~          1/4    ~~~        ~~~~
                                                 feedback
~~ ~~~

 1/4    ~~~ feedback

sloppy so heres what the intentional notes are.and play that
whole measure 2 times
                                                 ~~~ ~~
play x23

  1/4                                    ~~~~     mess around
with the blues
```
