

220 Volt - Love Is All You Need

Tom: Gb

m
I'm a man, with feelings I never have shown
Who tried to succeed on my own
How could I be so blind?

So long broken dreams, I go my way
My way alone and then I may
Show you just what I mean
Love is all you need
All You Need

To be true, taking my share of the game
Behind it I'm one and the same
I'm letting it all unwind
I will live my life like I want to
Live and love like I planned to
To make it all worthwhile
Love is all you need
My share of the game... all you need

Ah ah ah ah!
Love is all you need
Love is all you need... all you need

Show you just what I mean

Love is all you need

Love is all you need

Love is all you need... all you need
Love is all you need

My share of the game ...all you need
Ah ah ah ah!
