

2AM Club - Worry About You

Tom: **Bb**
Intro: **Gm**

Cm **Gm**
For as long, long as I can remember
F **Gm**
Its been December, no sun no summertime to treasure

We weren't grown
Cm **Gm**
And every time that they told us surrender

It will be better
F **Gm**
We'd just go holding on till forever

To what we know

Refrão:
Bb **F**
Broken lover yes I made you
Cm **Eb**
Believe that I would be the one to heal you
Bb **F**
And if you go now out that doorway
Cm
I won't say you're wrong
Eb **Gm**
But you know that I'll worry about you

Verso 2:
Cm **Gm**
For as long long as she can remember

She wanted better
F **Gm**
No home no one there to protect her, all alone
Cm **Gm**
And so she told me I was her center

Nothing would tempt her
F
I still roamed
Gm
Just like her father left her, ooh he left her

Refrão:
Bb **F**
Broken lover yes I made you
Cm **Eb**
Believe that I would be the one to heal you
Bb **F**
And if you go now out that doorway
Cm
I won't say you're wrong
Eb **Gm**
But you know that I'll worry about you

Bb **F**
And if you go now out that doorway
Cm
I won't say you're wrong
Eb **Gm**
But you know that I'll worry about you

Rap:
Gm
Isn't it bad you've been a good victim
F
You thought I was worth it you act like I would listen
C
And maybe you were right at one point someday
Dm
I used to watch you treat the streets like a runway
Gm
I used to write with tears on your pretty painted face
F
Sign language on your back from the first taste
Cm
So when he whispers in your ear and you think of me
D
You wish I would've treated you like you treated me
Gm
When you wake up from your dreams to the hallway
F
Sleepwalking through the streets dressed in all gray
Cm
Blinking streetlamps in the window pane
Bb
I worried from the second that I learned your name

Gm **Cm**
Everything in love is light
G
But where was I last night
F
And why don't you feel right

Refrão:
Bb **F**
Broken lover yes I made you
Cm **Eb**
Believe that I would be the one to heal you
Bb **F**
And if you go now out that doorway
Cm
I won't say you're wrong
Eb **Gm**
But you know that I'll worry about you
