I shoulda seen  
 You was trouble right from the start, taught me so many lessons  
 How not to mess with broken hearts, so many questions  
 When this began we was the perfect match, perhaps  
 We had some problems but we workin at it, and now  
 The arguments are gettin loud, I wanna say  
 But I can't help from walkin out just a little way  
 Just take my hand and understand, if you could see  
 I never planned to be a man it just wasn't me  
 But now I'm searchin for commitment, in other arms  
 I wanna shelter you from harm, don't be alarmed  
 Your attitude was the cause, you got me stressin  
 Soon as I open up the door with your jealous questions  
 Like where can I be, you're killin' me with your jealousy  
 Now my ambition's to be free  
 I can't breathe, cause soon as I leave, it's like a trap  
 I hear you callin me to come back, I'm a sucka for love  
 That's right, sucka for love

What you won't do, do for love  
 You tried everything, but you don't give up

Just when I thought I broke away and I'm fellin happy  
 You try to trap me say you pregnant and guess who the daddy  
 Don't wanna fall for it, but in this case what could I do?  
 Sonow I'm back  
 To makin promises to you, tryin to keep it true

What if I'm wrong, a trick to keep me on and on  
 Tryin to be strong and in the process, keep you goin  
 I'm bout to lose my composure, I'm gettin close  
 To packin up and leavin notes, and gettin ghost  
 Tell me who knows, a peaceful place where I can go  
 To clear my head I'm feelin low, losin control  
 My heart is sayin leave, oh what a tangle web we weave  
 When we conspire to conceive, and now  
 You gettin calls at the house, guess you cheatin  
 That's all I need to hear cause I'm leavin, I'm out the do'  
 Never no more will you see me, this is the end  
 Cause now I know you've been cheatin, I'm a sucka for love  
 Samn, sucka for love... sucka for love  
 Sucka for love

( E7M D#M G#M Db )

Now, he left you with scars, tears on your pillow and you stillstay  
 As you sit and pray, hoping the beatings'll go away  
 It wasn't always a hit and run relationship  
 It use to be love, happieness and companionship  
 Remember when I treated you good  
 I moved you up to hills, out the ills of the ghetto hood  
 Me and you a happy home, when it was on  
 I had a love to call my own  
 I shoulda seen you was trouble but I was lost, trapped in youreyes  
 Preoccupied with gettin tossed, no need to lie  
 You had a man and I knew it, you told me  
 Don't worry bout it we can do it now I'm under pressure  
 Make a decision cause I'm waitin, when I'm alone  
 I'm on the phone havin secret conversations, huh  
 I wanna take your misery, replace it with happiness  
 But I need your faith in me, I'm a sucka for love  
 Sucka for love, know you ain't right g but yet I'ma sucka for lov
