

# 3 Doors Down - Citizen-Soldier

tom:  
 Beyond the boundaries of your city's lights  
 Stand the heroes waiting for your cries  
 So many times you did not bring this on yourself  
 When that moment finally comes, I'll be there to help

On that day when you need your brothers and sisters to care  
 I'll be right here

[Chorus]

Citizen soldiers holding the light for the ones that we guide  
 from the dark  
 Of despair  
 Standing on guard for the ones that we sheltered  
 We'll always be ready because we will always be there

When there are people crying in the streets

When they're starving for a meal to eat  
 When they simply need a place to make their  
 Beds  
 Right here underneath my wing  
 You can rest your head

[Chorus]

There... there... there

( Cm, Eb, Ab, Fm )

Hope and pray that you'll never need me  
 But rest assured I will not let you down  
 I'll walk beside you but you may not see me  
 The strongest among you may not wear a crown

On that day when you need your brothers and sisters to care  
 I'll be right here!  
 On that day when you don't have the strength for the burden  
 you bear  
 I'll be right here!
