Intro: Riff 1 Riff 2

(Riff 2)

To this world I'm unimportant just because I have nothing to give  
So you call this your free country  
Tell me why it cost so much to live  
Tell me why

(Riff 3)

This world can turn me down  
But I won't turn away, oh no  
I won't turn around

Riff A

(Riff 2)

All my work and endless measures never seem to get me very far  
Walk a mile just to move an inch  
Now even though I'm trying so damn hard  
I'm trying so hard

(Riff 3)

This world can turn me down but I won't turn away  
And I won't duck and run, cause I'm not built that way  
When everything is gone there is nothing there to fear  
This world cannot bring me down

(Riff B)

No cause I'm already here, oh no!  
I am already here, down on my knees  
I am already here, oh no, I am already here  
I must have told you a thousand times I am not running away

(SOLO)

(Riff 3)

I won't duck and run  
I won't duck and run  
I won't duck and run  
No I won't pass away

(Riff 3)

This world can turn me down but I won't turn away  
And I won't duck and run, cause I'm not built that way  
When everything is gone there is nothing there to fear  
This world cannot bring me down  
No cause I'm already here
