

# 3 Doors Down - Everything Changes

Tom: E

If you just walked away  
 What could I really say?  
 would it matter anyway?  
 would it change how you feel?

I am the mess you chose  
 the closet you can not close  
 The devil in you I suppose  
 'cuz the wounds never heal

But everything changes if I could  
 turn back the years if you could  
 learn to forgive me then I could learn to feel

Sometimes the things I say  
 In moments of disarray  
 Succumbing to the games we play  
 To make sure that it's real

But everything changes if I could

turn back the years if you could  
 learn to forgive me then I could learn to feel

(solo) Dbm B A E B Dbm A E B A

When it's just me and you  
 Who knows what we could do  
 If we can just make it through  
 through this part of the day

But everything changes if I could  
 turn back the years if you could  
 learn to forgive me then I could  
 learn, learn to feel then we could  
 Stay here together and we could  
 Conquer the world if we could  
 Say that forever it's more than just a word

If you just walked away  
 What could I really say?  
 It wouldn't matter anyway  
 It wouldn't change how you feel
