

# 3 Doors Down - Goodbyes

Tom: C  
Intro: Am C Am C Am C G D

[Verse]:

There's so much that I would say  
If I could see you one last time.

But now I can't

cause you're not here

But you're Always on my mind.

When I look up And you're not there

When I lie awake at night

All these things I ask myself

I don't know why.

Refrão:

(When it's the first time)  
When it's the first time

That you'll never see someone again

(When it's the last time)  
When it's the last time

You weren't ready for it to end.

(When a light leaves you)  
When a light leaves you

Standing alone there in the dark.

(It's never easy) They're never easy

But sometimes Goodbyes are so hard.

(They're so hard)

[2 parte]:

Am C

I look ahead, but can't move on

I look back but I can't stay.

And I keep trying to be strong

But this pain, it won't go away.

And I hope this will heal in time

Cause I can't go on like this.

And right now, I would give my life

For one last kiss.

Refrão:

Standing in the sunshine.
