

# 3 Doors Down - Heaven

Tom: Db

Intro: Bbm Ab

I got <sup>Bbm</sup> lost out there in this <sup>Ab</sup> world  
 Looking for a <sup>Bbm</sup> brand new wave to fall <sup>Ab</sup> down  
 It's no <sup>Bbm</sup> surprise that things got <sup>Ab</sup> worse  
 And I <sup>Gb</sup> think God never let me <sup>Ab</sup> drown.  
 But I <sup>Db</sup> didn't have to lie to myself for so <sup>Ab</sup> long  
 I <sup>Bbm</sup> didn't have to let myself get so far <sup>Ab</sup> gone  
 I <sup>Db</sup> didn't have to make the ones I love feel so <sup>Ab</sup> alone  
 I <sup>Gb</sup> didn't have to die to go to <sup>Ab</sup> heaven  
 I <sup>Bbm</sup> just had to go home  
 While I <sup>Bbm</sup> was having the time of my <sup>Ab</sup> life  
 I <sup>Bbm</sup> think my soul died a little every <sup>Ab</sup> day  
 I <sup>Bbm</sup> always called to say I'm <sup>Ab</sup> sorry  
 You <sup>Gb</sup> said it's okay, but you should be <sup>Ab</sup>  
 Through it all you <sup>Db</sup> never walked away <sup>Ab</sup>

But I <sup>Bbm</sup> didn't have to lie to myself for so <sup>Ab</sup> long  
 I <sup>Db</sup> didn't have to let myself get so far <sup>Ab</sup> gone  
 I <sup>Gb</sup> didn't have to make the ones I love feel so <sup>Ab</sup> alone  
 I <sup>Gb</sup> didn't have to die to go to <sup>Ab</sup> heaven  
 I <sup>Ab</sup> just had to go home  
 Into the <sup>Bbm</sup> arms of my <sup>Ab</sup> angel  
 Into the <sup>Ab</sup> piece I've left <sup>Gb</sup> behind  
 All I <sup>Gb</sup> had to do to save my own <sup>Ab</sup> life  
 Was to <sup>Db</sup> look into your <sup>Ab</sup> eyes  
 But I <sup>Bbm</sup> didn't have to lie to myself for so <sup>Ab</sup> long  
 I <sup>Db</sup> didn't have to let myself get so far <sup>Ab</sup> gone  
 I <sup>Gb</sup> didn't have to make the ones I love feel so <sup>Ab</sup> alone  
 I <sup>Db</sup> didn't have to die to go to <sup>Ab</sup> heaven [to find my angel]  
 But I <sup>Bbm</sup> didn't have to lie to myself for so <sup>Ab</sup> long  
 I <sup>Db</sup> just had to go home [I just had to go home]  
 I <sup>Db</sup> just had to go home.
