

# 3 Doors Down - Heaven

Tom: **Db**  
Intro: **Bbm Ab**

I got **Bbm** lost out there in this **Ab** world  
Looking for a **Bbm** brand new wave to fall **Ab** down  
It's no surprise that things got worse  
And I think God never let me drown.  
But I didn't have to lie to myself for so long **Ab**  
I didn't have to let myself get so far gone **Ab**  
I didn't have to make the ones I love feel so alone **Ab**  
I didn't have to die to go to heaven **Ab**  
I just had to go home  
While I was having the time of my life **Ab**  
I think my soul died a little every day **Ab**  
I always called to say I'm sorry  
You said it's okay, but you should be **Ab**  
Through it all you never walked away **Ab**

But I didn't have to lie to myself for so long  
I didn't have to let myself get so far gone **Ab**  
I didn't have to make the ones I love feel so alone **Ab**  
I didn't have to die to go to heaven **Ab**  
I just had to go home  
Into the arms of my angel **Gb**  
Into the piece I've left behind **Gb**  
All I had to do to save my own life  
Was to look into your eyes **Ab**  
But I didn't have to lie to myself for so long **Ab**  
I didn't have to let myself get so far gone **Ab**  
I didn't have to make the ones I love feel so alone **Ab**  
I didn't have to die to go to heaven [to find my angel] **Ab**  
But I didn't have to lie to myself for so long **Ab**  
I just had to go home [I just had to go home] **Ab**  
I just had to go home.
