Looking back at the beginning of this

Just you and me and love and all of our friends
Am
Living life like an ocean
(F)
Now the currents slowly pulling me down
(A)
It's getting harder to breath
(F)
It won't be too long and I'll be going under
(A)
Can you save me from this

```
||           A G F
|| Cause It's not my time,
||           F C
|| I'm not going
||           C G
|| There's a fear in me,
|| It's not showing
||           A G F
|| This could be the end of me
||           F C           C G

Oh, but I'm taking them back
(F)
All this time I've just been to blind to understand
(A)
What should matter to me
(F)
My friend, this life we live is not what we have,
(A)
It's what we believe
