

3 Doors Down - It's The Only One You've Got

Tom: A

Well how do you know where you're going
 when you don't know where you've been
 You hide the shame that you're not showing
 and you won't let anyone in
 A crowded street can be a quiet place
 when you're walking alone
 So now you think that you're the only one
 who doesn't have to try
 and you won't have to fail
 You're so afraid to fly
 then I guess you never will

You hide behind your walls
 cause maybe he never hurts
 Forgetting that there's something more

than just knowing better
 Your mistakes do not define you now
 They tell you who you're not
 You've got to live this life you're given
 like it's the only one you've got
 The memories have left you broken
 and the scars have never healed
 The emptiness in you is growing
 with so little left to feel
 You're scared to look back on the days before
 You're too tired to move on
 And now you think that you're the only one
 who doesn't have to try
 and you won't have to fail
 You're so afraid to fly
 and I guess you never will
