

# 3 Doors Down - It's The Only One You've Got

Tom: A

Well how do you know where you're going  
 when you don't know where you've been  
 You hide the shame that you're not showing  
 and you won't let anyone in  
 A crowded street can be a quiet place  
 when you're walking alone  
 So now you think that you're the only one  
 who doesn't have to try  
 and you won't have to fail  
 You're so afraid to fly  
 then I guess you never will

You hide behind your walls  
 cause maybe he never hurts  
 Forgetting that there's something more

than just knowing better  
 Your mistakes do not define you now  
 They tell you who you're not  
 You've got to live this life you're given  
 like it's the only one you've got  
 The memories have left you broken  
 and the scars have never healed  
 The emptiness in you is growing  
 with so little left to feel  
 You're scared to look back on the days before  
 You're too tired to move on  
 And now you think that you're the only one  
 who doesn't have to try  
 and you won't have to fail  
 You're so afraid to fly  
 and I guess you never will
