

# 3 Doors Down - Let Me Be Myself

Tom: C

I guess I just got lost  
being someone else.  
I tried to kill the pain,  
But nothing ever helped.  
I left myself behind,  
somewhere along the way  
hoping to come back around  
to find myself someday...

F C G F  
Lately I'm so tired of waiting for you

C  
to say that it's okay.

G C  
Tell me please...

F G  
Would you one time let me be myself

F  
so I can shine

with my own light.

C G  
Let me be myself.

Would you let me be myself?  
'Cause I'lll never find my heart  
behind someone else.  
I'lll never see the light of day  
living in this cell.

It's time to make my way  
into the world I knew.  
And then take back all of these times  
that I gave in to you...
