Letra:

Seven days underpaid gotta give it up
Got no time for this life that I'm livin' up
Shackled down, kicked around, now slave to the grind
Need some time for myself

I'll give you anything that you want me to
But I don't have the time so I'll get up with you
If you don't understand, man, you've got to believe
There is too much of you but there is not enough of me

Same old song, world moves on while I'm still in bed
Meet tomorrow today just to get ahead
Jump the gun on the run, I'm the only one
Who thinks that I'm fallin' behind?
