

# 3 Doors Down - Race For The Sun

Tom: C  
Intro: Dm C

It's gonna <sup>Dm</sup> rain some days I know  
 And things are gonna hurt sometimes that's for sure  
 But I won't get turned around  
 'Cause I keep moving on  
 I think my mind plays tricks on me  
 'Cause sometimes what I get ain't what I see  
 I just turn it upside down and I keep moving on  
 I'm gonna race for the morning sun  
 I can't wait for the day that's on it's way  
 I'm gonna race for the morning sun  
 And it's gonna shine on me  
 Oh, it's gonna shine  
 I'm gonna take everything I want  
 And won't get lost in what I don't  
 I just hide it all inside and I keep moving on

I'm gonna race for the morning sun  
 I can't wait for the day that's on it's way  
 I gonna race for the morning sun  
 And it's gonna shine on me  
 Oh, it's gonna shine a light right down on me  
 And I swear I'll find where I wanna be  
 And I'll live the day like it's the only one  
 I'm gonna race for the sun  
 Shine a light right down on me  
 And I swear I'll find where I wanna be  
 And I'll live the day like it's the only one  
 I'm gonna race for the sun  
 Shine a light right down on me  
 And I swear I'll find where I wanna be  
 And I'll live the day like it's the only one  
 I'm gonna race...  
 I'm gonna race for the sun
