

3 Doors Down - Race For The Sun

Tom: C
Intro: Dm C

It's gonna ^{Dm} rain some days I know
 And things are gonna hurt sometimes that's for sure
 But I won't get turned around
 'Cause I keep moving on
 I think my mind plays tricks on me
 'Cause sometimes what I get ain't what I see
 I just turn it upside down and I keep moving on
 I'm gonna race for the morning sun
 I can't wait for the day that's on it's way
 I'm gonna race for the morning sun
 And it's gonna shine on me
 Oh, it's gonna shine
 I'm gonna take everything I want
 And won't get lost in what I don't
 I just hide it all inside and I keep moving on

I'm gonna race for the morning sun
 I can't wait for the day that's on it's way
 I gonna race for the morning sun
 And it's gonna shine on me
 Oh, it's gonna shine a light right down on me
 And I swear I'll find where I wanna be
 And I'll live the day like it's the only one
 I'm gonna race for the sun
 Shine a light right down on me
 And I swear I'll find where I wanna be
 And I'll live the day like it's the only one
 I'm gonna race for the sun
 Shine a light right down on me
 And I swear I'll find where I wanna be
 And I'll live the day like it's the only one
 I'm gonna race...
 I'm gonna race for the sun
