

# 3 Doors Down - Runaway

Tom: G

**Bb Eb D Cm**  
 Do you ever think about running away  
**Bb Eb G Cm**  
 'cause i was thinkin' about leavin' today  
**Bb Eb D Cm**  
 We'll follow forever where our hearts wanna go  
**Bb Eb G Cm Bb Eb D Cm**  
 Maybe we'll live somewhere where nobody knows our names  
**Bb Eb G Cm**  
 Then things might change for the good

**Cm Ab Eb Ab Bb Bb4 Bb Bb4**  
 I wanna be somewhere so far away  
**Cm Ab Eb Ab Bb Bb4 Bb Bb4**  
**Bb4**  
 To lie under the night at the end of another good day  
**Cm Ab Eb Ab Bb Bb4 Bb Bb4**  
 I can't tell you how long we'll be gone  
**Cm Ab Eb Ab Bb**  
 But as long as we're together then forever's never too long  
 Too long, oh no

Do you ever think about not comin' back  
 Hoppin' on a train and we'll burn up the tracks  
 We'll jump off somewhere that we don't know how to say  
 Maybe hitch a ride from someone who can tell us the way

To where these things might change for the good

**Cm Ab Eb Ab Bb Bb4 Bb Bb4**  
 I wanna be somewhere so far away  
**Cm Ab Eb Ab Bb Bb4 Bb**  
**Bb4**  
 To lie under the night at the end of another good day  
**Cm Ab Eb Ab Bb Bb4 Bb Bb4**  
 I can't tell you how long we'll be gone  
**Cm Ab Eb Ab Bb**  
 But as long as we're together then forever's never too  
**Ab B C Bb C Eb C Bb**  
 Where forever is never too long  
**C Bb C Eb C Bb**  
 Not with you right here by me  
**C Bb C Eb C Bb**  
 Maybe, maybe we'll just see  
**C Bb C Eb C Bb**  
 Where this road will lead for us

I wanna be somewhere so far away  
 To lie under the night at the end of another good day  
 I can't tell you how long we'll be gone  
 But as long as we're together then forever's never too  
 I wanna be somewhere so far away  
 To lie under the night at the end of another good day  
 I can't tell you how long we'll be gone  
 But as long as we're together then forever's never too  
 Forever is never too long
